Re: Addendum to ITAC 15 report on  
the U.S. – Korea Free Trade Agreement

Dear Ambassador Schwab and Secretary Gutierrez:

In the ITAC 15 Report on the U.S.-Korea FTA, on page 3, we stated the following:

In this regard [the result of the Administration/Congressional negotiations], ITAC 15 understands that an opportunity will be provided to all ITACs to file addenda to their reports in which they will be able to comment on any changes made to the text of the KORUS FTA after expiration of the thirty day advisory committee comment period.

At a formal meeting of ITAC 15 on August 9, 2007, we considered the submission of such an addendum. ITAC 15 approved the submission of an addendum to its original report with respect to the intellectual property provisions of the U.S. – Korea Free Trade Agreement made as a result of the Administration-Congressional agreement concluded. The addendum (attached hereto) reflects the views of the five members whose names and affiliations appear on it.

Sincerely,

Eric H. Smith  
Chair  
ITAC 15
