The Honorable Robert B. Zoellick
United States Trade Representative
600 17th Street, Northwest
Washington DC 205088

Dear Ambassador Zoellick:

The Advisory Committee for Fruits and Vegetables elected not to submit a formal report on the Singapore Free Trade Agreement due the fact that virtually all products already entered the country duty free and the relatively minor trade interests for the fruits and vegetable sector.

Sincerely,

Doug Bourmique
Co-Chairman
Agricultural Technical Advisory
Committee for Trade in Fruits and
Vegetables
