*GSP Product Review Petitions*

Interested parties, including foreign governments, may submit petitions to: (1) Designate additional articles as eligible for GSP benefits, including to designate articles as eligible for GSP benefits only if imported from countries designated as least-developed beneficiary developing countries, or only from countries designated as beneficiary sub-Saharan African countries under the African Growth and Opportunity Act (AGOA); (2) withdraw, suspend or limit the application of duty-free treatment accorded under the GSP with respect to any article; and (3) otherwise modify GSP coverage. Petitioners seeking to add products to eligibility for GSP benefits should note

that, as provided in section 503(b) of the Trade Act (19 U.S.C. 2463(b)), certain articles may not be designated as eligible articles under GSP.

As specified in 15 CFR part 2007.1, all product petitions must include, *inter alia*, a detailed description of the product and the eight-digit subheading of the Harmonized Tariff Schedule of the United States (HTSUS) under which the product is classified.

*Country Practices Review Petitions*

Any interested party may submit a petition to review the GSP eligibility of any beneficiary developing country with respect to any of the designation criteria listed in sections 502(b) or 502(c) of the Trade Act (19 U.S.C. 2462(b) and (c)).

*Competitive Need Limitations*

Any interested party may submit a petition seeking a waiver of the 2015 CNL for individual beneficiary developing countries with respect to specific GSP-eligible articles (these limits do not apply to least-developed beneficiary developing countries or AGOA beneficiary countries). Before submitting petitions for CNL waivers, prospective petitioners may wish to review the 2015 year-to-date import trade data for products of interest. This data is available via the U.S.

International Trade Commission's "Dataweb" database at <http://dataweb.usitc.gov/>. For more information on CNLs and how they apply to the GSP program, please visit the GSP page of the USTR Web site at <https://ustr.gov/issue-areas/trade-development/preference-programs/generalized-system-preference-gsp>.

**II. Requirements for Submissions**

All submissions for the GSP Annual Review must conform to the GSP regulations set forth at 15 CFR part 2007, except as modified below. All submissions in response to this notice must be in English and must be submitted electronically via <http://www.regulations.gov>, using docket number USTR-2015-0013. Hand-delivered submissions will not be accepted. Submissions that do not provide the information required by sections 2007.0 and 2007.1 of the GSP regulations will not be accepted for review, except upon a detailed showing in the submission that the petitioner made a good faith effort to obtain the information required.

To make a submission via <http://www.regulations.gov>, enter the docket number for this review—USTR–2015–0013—in the “Search for” field on the home page and click “Search.” The site will provide a search-results page listing all documents associated with this docket. Submissions should not exceed 30 single-spaced, standard letter-size pages in 12-point type, including attachments. Any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Each submitter will receive a submission tracking number upon completion of the submissions procedure at <http://www.regulations.gov>. The tracking number will be the submitter’s confirmation that the submission was received into <http://www.regulations.gov>. The confirmation should be kept for the submitter’s records. USTR is not responsible for any delays in a submission due to technical difficulties, nor is it able to provide any technical assistance for the <http://www.regulations.gov> Web site. submissions as requested, please contact the GSP program at USTR to arrange for an alternative method of transmission.

#### *Business Confidential Petitions*

An interested party requesting that information contained in a submission be treated as business confidential information must certify that such information is business confidential and would not customarily be released to the public by the submitter. Confidential business information must be clearly designated as such. The submission must be marked “BUSINESS CONFIDENTIAL” at the top and bottom of the cover page and each succeeding page, and the submission should indicate, via brackets, the specific information that is confidential. Additionally, “Business Confidential” must be included in the “Type Comment” field. For any submission containing business confidential information, a non-confidential version must be submitted separately (*i.e.*, not as part of the same submission with the confidential version), indicating where confidential information has been redacted. The non-confidential version will be placed in the docket and open to public inspection.

Business confidential submissions that are submitted without the required markings, or are not accompanied by a properly marked non-confidential version, as set forth above, might not be accepted or may be considered public documents.

#### *Public Viewing of Review Submissions*

Submissions in response to this notice, except for information granted “business confidential” status under 15 CFR part 2003.6, will be available for public viewing pursuant to 15 CFR part 2007.6 at <http://www.regulations.gov> upon completion of processing. #### **Request for Public Comments To Compile the National Trade Estimate Report on Foreign Trade Barriers**

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** Pursuant to section 181 of the Trade Act of 1974, as amended (19 U.S.C. 2241), the Office of the United States Trade Representative (USTR) is required to publish annually the National Trade Estimate Report on Foreign Trade Barriers (NTE). With this notice, the Trade Policy Staff Committee (TPSC) is requesting interested persons to submit comments to assist it in identifying significant barriers to U.S. exports of goods, services, and U.S. foreign direct investment for inclusion in the NTE. The TPSC invites written comments from the public on issues that USTR should examine in preparing the NTE.

Section 1377 of the Omnibus Trade and Competitiveness Act of 1988 (19 U.S.C. 3106) (“Section 1377”) requires the USTR to review annually the operation and effectiveness of all U.S. trade agreements regarding telecommunications products and services that are in force with respect to the United States. In past years, USTR has solicited comments with regard to Section 1377 in a separate **Federal Register** Notice. In 2016, USTR is collecting information regarding the trade barriers pertinent to the conduct of the review called for in Section 1377 through this notice.

**DATES:** Public comments are due not later than 11:59 p.m., October 28, 2015.

**ADDRESSES:** Submissions should be made via the Internet at [www.regulations.gov](http://www.regulations.gov) docket number USTR 2015–0014. For alternatives to on-line submissions please contact Yvonne Jamison (202) 395–3475. The public is strongly encouraged to file submissions electronically rather than by facsimile or mail.

#### **FOR FURTHER INFORMATION CONTACT:**

Questions regarding this notice should be directed to Yvonne Jamison at (202) 395–3475.

**SUPPLEMENTARY INFORMATION:** The NTE sets out an inventory of the most important foreign barriers affecting U.S. exports of goods and services, U.S. foreign direct investment, and protection of intellectual property rights. The inventory facilitates U.S. negotiations aimed at reducing or eliminating these barriers. The report also provides a valuable tool in enforcing U.S. trade laws and strengthening the rules-based trading system. The 2015 NTE Report may be found on USTR’s Internet Home Page (<http://www.ustr.gov>) under the tab “Reports”. To ensure compliance with the NTE’s statutory mandate and the Obama Administration’s commitment to
