Specific Results

The Administration added 27 travel and luggage goods products to the list of products eligible for duty-free treatment for least developed beneficiary developing countries (LDBDCs) and African Growth and Opportunity Act (AGOA) countries. The Administration has decided to defer action on a decision for non-LDBDCs. The Administration denied the petition to make certain effervescent wine (HTS 2204.21.20) eligible for duty-free treatment under GSP. The Administration has decided to defer a decision on final disposition of petitions to add essential oils of lemon (HTS 3301.13.00) and high-carbon ferromanganese (HTS 7202.11.50) to the list of products eligible for duty-free treatment under GSP for all GSP beneficiary countries. See List I (Decision on Petition to Add a Product to the List of Eligible Products for GSP).

The President removed polyethylene terephthalate (PET) resin (HTS 3907.60.00) and certain fluorescent brightening agents (HTS 3204.20.10 and HTS 3204.20.80) from India from GSP eligibility based on petitions from interested parties. The Administration denied the petitions to remove certain fluorescent brightening agents (HTS 3204.20.10 and HTS 3204.20.80) from Indonesia and PET film (HTS 3920.62.00 and 3920.62.20) from Brazil. See List II (Decisions on Petitions to Remove a Product from Certain Beneficiary Countries from GSP).

Articles that exceeded the CNLs in 2015 and that, effective July 1, 2016, are excluded from GSP eligibility when imported from a specific beneficiary country are described in List III (Products Newly Subject to Exclusion by Competitive Need Limitation).

The President granted petitions for waivers of CNLs for the following products: (1) Certain pitted dates (HTS 0804.10.60) from Tunisia; (2) certain inactive yeasts (HTS 2102.20.60) from Brazil; and (3) certain nonalcoholic beverages (HTS 2202.90.90) from Thailand. The President granted de minimis waivers to 111 articles that exceeded the 50-percent import-share CNL but for which the aggregate value of all U.S. imports of that article was below the 2015 de minimis level of $22.5 million. See List V (Decisions on Products Eligible for De Minimis Waivers). The articles for which de minimis waivers were granted will continue to be eligible for duty-free treatment under GSP when imported from the associated countries.

No products previously excluded from GSP eligibility for certain countries were redesignated as eligible for GSP as a result of the 2015/2016 Annual Review.
