periodically announce decisions. In August 2019, the U.S. Trade Representative granted an initial set of exclusion requests. See 84 FR 38717. The U.S. Trade Representative granted additional exclusions in September, October, November, and December 2019. See 84 FR 49591, 84 FR 57803, 84 FR 61674, 84 FR 65882, and 84 FR 69012. The Office of the United States Trade Representative regularly updates the status of each pending request on the USTR Exclusions Portal at https://exclusions.ustr.gov/s/docket?docketNumber=USTR-2019-00005.

B. Determination To Grant Certain Exclusions

Based on the evaluation of the factors set out in the June 24 notice, which are summarized above, pursuant to sections 301(b), 301(c), and 307(a) of the Trade Act of 1974, as amended, and in accordance with the advice of the interagency Section 301 Committee, the U.S. Trade Representative has determined to grant the product exclusions set out in the Annex to this notice. The U.S. Trade Representative’s determination also takes into account advice from advisory committees and any public comments on the pertinent exclusion requests.

As set out in the Annex, the exclusions are reflected in 2 ten-digit HTSUS subheadings and 66 specially prepared product descriptions, which cover 81 separate exclusion requests.

In accordance with the June 24 notice, the exclusions are available for any product that meets the description in the Annex, regardless of whether the importer filed an exclusion request. Further, the scope of each exclusion is governed by the scope of the product descriptions in the Annex, and not by the product descriptions set out in any particular request for exclusion. To correct a technical error and in order to conform to the Trade Representative’s intent to grant an exclusion requested, the Annex to this notice also includes amendments to notes in the Harmonized Tariff Schedule of the United States.

Paragraph A, subparagraphs (3)–(7) are conforming amendments to the HTSUS reflecting the modifications made by the Annex. Paragraph B, subparagraphs (1)–(2) are amendments to U.S. note 20(ll)(66) published at 84 FR 57803 (October 28, 2019) and U.S. note 20(mm)(34) published at 84 FR 61674 (November 13, 2019) reflecting modifications made to certain HTSUS statistical reporting numbers that will take effect January 1, 2020.

Paragraph C, fixes a technical error in U.S. note 20(b) to subchapter III of chapter 99 of the HTSUS.

As stated in the September 20, 2019 notice, the exclusions will apply from September 24, 2018, to August 7, 2020. U.S. Customs and Border Protection will issue instructions on entry guidance and implementation.

The U.S. Trade Representative will continue to issue determinations on pending requests on a periodic basis.

Joseph Barloon,
General Counsel, Office of the U.S. Trade Representative.
