## SUPPLEMENTARY INFORMATION:

### I. Proceedings in the Investigation

Turkey has adopted a DST that  
applies to companies that during the  
previous calendar year, generated €750  
million or more in worldwide revenues  
and TRY 20 million or more in revenues  
deriving from the provision of digital  
services in Turkey.

On June 2, 2020, the U.S. Trade  
Representative initiated an investigation  
of Turkey's DST pursuant to section  
302(b)(1)(A) of the Trade Act of 1974, as  
amended (Trade Act). *See* 85 FR 34709  
(June 5, 2020) (notice of initiation). The  
notice of initiation solicited written  
comments on, *inter alia*, the following  
aspects of Turkey's DST: Discrimination  
against U.S. companies; retroactivity;  
and possibly unreasonable tax policy.  
With respect to tax policy, USTR  
solicited comments on, *inter alia*,  
whether the DST diverged from  
principles reflected in the U.S. and  
international tax systems including  
extraterritoriality; taxing revenue not  
income; and a purpose of penalizing  
particular technology companies for  
their commercial success. Interested  
persons filed over 380 written  
submissions in response. The public  
submissions are available on  
[www.regulations.gov](http://www.regulations.gov) in docket number  
USTR-2020-0022.

Under section 303 of the Trade Act,  
the U.S. Trade Representative requested  
consultations with the government of  
Turkey regarding the issues involved in  
the investigation. Consultations were  
held on September 29, 2020.

Based on information obtained during  
the investigation, USTR prepared a  
comprehensive report on Turkey's DST  
(Turkey DST Report). The Turkey DST  
Report is posted on the USTR website  
at [https://ustr.gov/issue-areas/  
enforcement/section-301-investigations/  
section-301-digital-services-taxes](https://ustr.gov/issue-areas/enforcement/section-301-investigations/section-301-digital-services-taxes). The  
report includes a full description of  
Turkey's DST, and supports findings  
that Turkey's DST is unreasonable and  
discriminatory and burdens or restricts  
U.S. commerce.

On January 6, 2021, based on the  
information obtained during the  
investigation and the advice of the  
Section 301 Committee, the U.S. Trade  
Representative determined that Turkey's  
DST is unreasonable or discriminatory  
and burdens or restricts U.S. commerce,  
and therefore is actionable under  
sections 301(b) and 304(a) of the Trade

Act (19 U.S.C. 2411(b) and 2414(a)). *See*  
86 FR 2480 (January 12, 2021).

### II. Proposed Action

Section 301(b) provides that upon  
determining that the acts, policies, and  
practices under investigation are  
actionable and that action is  
appropriate, the U.S. Trade  
Representative shall take all appropriate  
and feasible action authorized under  
section 301(c), subject to the specific  
direction, if any, of the President  
regarding such action, and all other  
appropriate and feasible action within  
the power of the President that the  
President may direct the U.S. Trade  
Representative to take under section  
301(b), to obtain the elimination of that  
act, policy, or practice.

Section 301(c)(1)(B) of the Trade Act  
authorizes the U.S. Trade  
Representative to impose duties on the  
goods of the foreign country subject to  
the investigation. Pursuant to sections  
301(b) and (c), USTR proposes that the  
U.S. Trade Representative should  
determine that action is appropriate and  
that appropriate action would include  
the imposition of additional *ad valorem*  
tariffs on certain products of Turkey.

In particular, USTR proposes to  
impose additional tariffs of up to 25  
percent *ad valorem* on an aggregate  
level of trade that would collect duties  
on goods of Turkey in the range of the  
amount of the DST that Turkey is  
expected to collect from U.S.  
companies. Initial estimates indicate  
that the value of the DST payable by  
U.S.-based company groups to Turkey  
will be up to approximately \$160  
million per year.

USTR further proposes that the goods  
of Turkey subject to additional tariffs  
would be drawn from the preliminary  
list of products in the Annex to this  
notice, as specified by the listed eight-  
digit tariff subheadings.

### III. Request for Public Comments

In accordance with section 304(b) of  
the Trade Act (19 U.S.C. 2414(b)), USTR  
invites comments from interested  
persons with respect to whether action  
is appropriate, and if so, the appropriate  
action to be taken.

USTR requests comments with  
respect to any issue related to the action  
to be taken in this investigation. With  
respect to the proposed tariff action  
outline above, USTR specifically invites  
comments regarding:

- The level of the burden or restriction on U.S. commerce resulting from Turkey's DST, including the amount of DST payments owed by U.S. companies, the annual growth rate of such payments, and other effects, such as compliance costs.
- The appropriate aggregate level of trade to be covered by additional duties.
- The level of the increase, if any, in the rate of duty.
- The specific products to be subject to increased duties, including whether the tariff subheadings listed in the Annex should be retained or removed, or whether tariff subheadings not currently on the list should be added.

In commenting on the inclusion or removal of particular products on the preliminary list of products subject to the proposed additional duties, USTR requests that commenters address specifically whether imposing increased duties on a particular product would be practicable or effective to obtain the elimination of Turkey's acts, policies, and practices, and whether imposing additional duties on a particular product would cause disproportionate economic harm to U.S. interests, including small- or medium-size businesses and consumers.

Simultaneously with this notice, USTR also is requesting public comments on proposed trade actions in five other DST investigations initiated at the same time as the Turkey DST investigation. Certain interested persons may wish to provide written comments or oral testimony on multi-jurisdictional issues common to two or more investigations. To avoid duplication, the USTR portal will have a separate docket for multi-jurisdictional submissions, and USTR will hold a separate multi-jurisdictional hearing.

To be assured of consideration, you must submit written comments on the proposed action by April 30, 2021, and post-hearing rebuttal comments by May 10, 2021 for the multi-jurisdictional hearing, and by May 14, 2021 for the Turkey DST hearing.

#### IV. Hearing Participation

The Section 301 Committee will convene a virtual public hearing for comments pertaining to the Turkey DST proposed action on May 7, 2021, beginning at 9:30 a.m. Those requesting to appear at this hearing should have comments applicable only to the Turkey DST proposed action.

The Section 301 Committee will convene a virtual public hearing for

comments pertaining to multiple jurisdictions on May 3, 2021, beginning at 9:30 a.m. Those requesting to appear at the multi-jurisdictional hearing should have comments that are applicable to two or more DST investigations.

For either hearing, you must submit a request to appear at the specific hearing using the electronic portal at <https://comments.ustr.gov/s/>. You will be able to view a docket entitled 'Request to Appear at Hearing on Proposed Action in Section 301 Investigation of Turkey's Digital Services Tax.' Requests to appear must include a summary of testimony, and may be accompanied by a pre-hearing submission. Remarks at the hearing are limited to five minutes to allow for possible questions from the Section 301 Committee. All submissions must be in English. To be assured of consideration, USTR must receive your request to appear by April 21, 2021.

#### V. Procedures for Written Submissions
