Ambassador
Permanent Mission of Turkey
Route de Pré-Bois 20

Dear Mr. Ambassador,

I am writing in connection with the dispute settlement proceedings conducted pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (“DSU”) concerning *Turkey — Additional Duties on Certain Products from the United States* (DS561), to which Turkey is a party.

On instructions from my authorities, I would like to inquire whether Turkey agrees to make its statements to the Panel and Appellate Body (in the event of any appeal) open to observation by other WTO Members and the public. DSU Article 18.2 provides that every WTO Member has the right to make public statements of its own position. The United States will make its statements publicly available and will request each WTO adjudicator to make arrangements so the public may observe U.S. statements during any substantive meeting in this dispute. The opening of meetings to public observation would serve to enhance WTO Members’ and the public’s understanding of the dispute settlement system.

I would note that Turkey participates in several international adjudicatory systems that provide for open hearings, such as the International Court of Justice¹. We do not see any reason why Turkey would consider the WTO dispute settlement system should be less transparent than these other systems in which Turkey participates.

I also would inquire whether Turkey plans to make its submissions to the Panel in this dispute available to the public. If Turkey intends to make its submissions available to the public, please so advise at your earliest convenience. If any submission is not to be made public, then pursuant to Article 18.2 of the DSU, please provide us a non-confidential summary of the submission promptly upon filing the submission. As you will recall, Article 18.2 of the DSU provides that “[a] party to a dispute shall also, upon request of a Member, provide a non-confidential summary of the information contained in its written submissions that could be disclosed to the public.” Please consider this request to be applicable to all submissions to the Panel as well as any submission to the Appellate Body in the event of any appeal in this dispute.

¹ Statute of the International Court of Justice, Article 46 (“The hearing in Court shall be public, unless the Court shall decide otherwise, or unless the parties demand that the public be not admitted.”).

I look forward to receiving your response to these inquiries and request.

Sincerely,

Dennis C. Shea
Ambassador
