- (b) a loan granted by or debt instrument owned by a financial institution, other than a loan to or debt instrument issued by a financial institution referred to in subparagraph (a), is not an investment;

5. This Chapter does not apply to a subsidy or a grant provided by a Party, including a government supported loan, guarantee, and insurance, with respect to the cross-border supply of financial services by a cross-border supplier of another Party.

Article 17.3: National Treatment

2. Each Party shall accord to financial institutions of another Party, and to investments of investors of another Party in financial institutions, treatment no less favorable than that it accords to its own financial institutions, and to investments of its own investors in financial institutions, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments.

3. Each Party shall accord to:

(a) financial services or cross-border financial service suppliers of another Party seeking to supply or supplying the financial services as specified by the Party in Annex 17-A (Cross-Border Trade); and

5. The treatment to be accorded by a Party under paragraphs 1, 2, and 3 means, with respect to a government other than at the central level, treatment no less favorable than the most favorable treatment accorded, in like circumstances, by that government to financial institutions of the Party, investors of the Party, and investments of those investors, in financial institutions; or financial services or financial service suppliers, of the Party.

6. For greater certainty, whether treatment is accorded in "like circumstances" under this Article depends on the totality of the circumstances, including whether the relevant treatment distinguishes between investors in financial institutions, investments in financial institutions, financial institutions, or financial services or financial service suppliers on the basis of legitimate public welfare objectives.

3. Article 17.5: Market Access

1. No Party shall adopt or maintain with respect to:
 - (a) a financial institution of another Party or, an investor of another Party seeking to establish those institutions;

- (e) restricts or requires specific types of legal entity or joint venture through which a financial institution or cross-border financial service supplier may supply a service.

2. Subparagraph 1(c) does not require a Party to permit a cross-border financial service supplier of another Party to do business or solicit in the Party's territory. A Party may define "doing business" and "solicitation" in its law for the purposes of this paragraph.

3. No Party shall require a cross-border financial service supplier of another Party to establish or maintain a representative office or an enterprise, or to be resident, in its territory as a condition for the cross-border supply of a financial service, with respect to the financial services referred to in Article 17.6 (Cross-Border Trade Standstill) and the financial services as specified by the Party in Annex 17-A (Cross-Border Trade).

4. For greater certainty, a Party may require the registration or authorization of a cross-border financial service supplier of another Party or of a financial instrument.

³ Subparagraph (d)(iii) does not cover measures of a Party that limit inputs for the supply of financial services.

Article 17.6: Cross-Border Trade Standstill

No Party shall adopt a measure restricting any type of cross-border trade in financial services by cross-border financial service suppliers of another Party that the Party permitted on January 1, 1994, or that is inconsistent with Article 17.3.3 (National Treatment), with respect to the supply of those services.

Article 17.7: New Financial Services⁴

Each Party shall permit a financial institution of another Party to supply a new financial service that the Party would permit its own financial institutions, in like circumstances, to supply without adopting a law or modifying an existing law.⁵ Notwithstanding Article 17.5.1(a) and(e) (Market Access), a Party may determine the institutional and juridical form through which the new financial service may be supplied and may require authorization for the supply of the service. If a Party requires a financial institution to obtain authorization to supply a new financial service, the Party shall decide within a reasonable period of time whether to issue the authorization and may refuse the authorization only for prudential reasons.

Article 17.8: Treatment of Customer Information

This Chapter does not require a Party to disclose information related to the financial affairs or accounts of individual customers of financial institutions or cross-border financial service suppliers.

Article 17.9: Senior Management and Boards of Directors

1. No Party shall require a financial institution of another Party to engage a natural person of a particular nationality as senior managerial or other essential personnel.
2. No Party shall require that more than a simple majority of the board of directors of a financial institution of another Party be composed of nationals of the Party, persons residing in the territory of the Party, or a combination thereof.

⁴ The Parties understand that nothing in this Article prevents a financial institution of a Party from applying to another Party to request that it authorize the supply of a financial service that is not supplied in the territory of any Party. That application will be subject to the law of the Party to which the application is made and, for greater certainty, is not subject to this Article.

⁵ For greater certainty, a Party may issue a new regulation or other subordinate measure in permitting the supply of the new financial service.

Article 17.10: Non-Conforming Measures

1. Article 17.3 (National Treatment), Article 17.4 (Most-Favored-Nation Treatment), Article 17.5 (Market Access), and Article 17.9 (Senior Management and Boards of Directors) do not apply to:

 - (iii) a local level of government;
- (b) the continuation or prompt renewal of a non-conforming measure referred to in subparagraph (a); or
- (c) an amendment to a non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure as it existed:
 - (i) immediately before the amendment, with Articles 17.3.1 and 17.3.2 (National Treatment), Article 17.4 (Most-Favored-Nation Treatment), Article 17.5.1(a) (Market Access), or Article 17.9 (Senior Management and Boards of Directors), or
 - (ii) on the date of entry into force of this Agreement for the Party applying the non-conforming measure with Article 17.3.3 (National Treatment), Article 17.5.1(b) (Market Access), or Article 17.5.1(c) (Market Access).

2. Article 17.3 (National Treatment), Article 17.4 (Most-Favored-Nation Treatment), Article 17.5 (Market Access), Article 17.6 (Cross-Border Trade Standstill), and Article 17.9 (Senior Management and Boards of Directors) do not apply to a measure that a Party adopts or maintains with respect to a sector, subsector, or an activity, as set out by that Party in Section B of its Schedule to Annex III.

3. A non-conforming measure, set out in a Party's Schedule to Annex I or II as not subject to Article 14.4 (National Treatment), Article 14.5 (Most-Favored-Nation Treatment), Article 14.11 (Senior Management and Boards of Directors), Article 15.3 (National Treatment) or Article 15.4 (Most-Favored-Nation Treatment), shall be treated as a non-conforming measure

not subject to Article 17.3 (National Treatment), Article 17.4 (Most-Favored-Nation Treatment) or Article 17.9 (Senior Management and Boards of Directors), as the case may be, to the extent that the measure, sector, subsector or activity set out in the Party's schedule to Annex I or II is covered by this Chapter.

4. (a) Article 17.3 (National Treatment) does not apply to a measure that falls within an exception to, or derogation from, the obligations which are imposed by:

- (b) Article 17.4 (Most-Favored-Nation Treatment) does not apply to a measure that falls within Article 5 of the TRIPS Agreement, or an exception to, or derogation from, the obligations which are imposed by:
 - (i) Article 20.8 (National Treatment), or
 - (ii) Article 4 of the TRIPS Agreement.

1. Notwithstanding the other provisions of this Agreement except for Chapter 2 (National Treatment and Market Access for Goods), Chapter 3 (Agriculture), Chapter 4 (Rules of Origin), Chapter 5 (Origin Procedures), Chapter 6 (Textiles and Apparel), Chapter 7 (Customs Administration and Trade Facilitation), Chapter 9 (Sanitary and Phytosanitary Measures), Chapter 10 (Trade Remedies), and Chapter 11 (Technical Barriers to Trade), a Party is not prevented from adopting or maintaining a measure for prudential reasons,⁶ including for the protection of investors, depositors, policy holders, or persons to whom a fiduciary duty is owed by a financial institution or cross-border financial service supplier, or to ensure the integrity and stability of the financial system. If the measure does not conform with the provisions of this Agreement to which this exception applies, the measure must not be used as a means of avoiding the Party's commitments or obligations under those provisions.

2. Nothing in this Chapter, Chapter 14 (Investment), Chapter 15 (Cross- Border Trade in Services), Chapter 18 (Telecommunications) including specifically Article 18.26 (Relation to Other Chapters), or Chapter 19 (Digital Trade), applies to a non-discriminatory measure of general application taken by a public entity in pursuit of monetary and related credit policies or exchange rate policies. This paragraph does not affect a Party's obligations under Article

⁶ The Parties understand that the term "prudential reasons" includes the maintenance of the safety, soundness, integrity, or financial responsibility of individual financial institutions or cross-border financial service suppliers as well as the safety, and financial and operational integrity of payment and clearing systems.

14.10 (Performance Requirements) with respect to a measure covered by Chapter 14 (Investment), under Article 14.9 (Transfers) or Article 15.12 (Cross Border Trade in Services, Payments and Transfers).

3. Notwithstanding Article 14.9 (Transfers) and Article 15.12 (Payments and Transfers), as incorporated into this Chapter, a Party may prevent or limit a transfer by a financial institution or a cross-border financial service supplier to, or for the benefit of, an affiliate of or person related to that institution or supplier, through the equitable, non-discriminatory and good faith application of a measure relating to maintenance of the safety, soundness, integrity, or financial responsibility of financial institutions or cross-border financial service suppliers. This paragraph does not prejudice any other provision of this Agreement that permits a Party to restrict transfers.

4. For greater certainty, nothing in this Chapter shall be construed to prevent a Party from adopting or maintaining a measure necessary to secure compliance with laws or regulations that are not inconsistent with this Chapter, including those relating to the prevention of deceptive and fraudulent practices or to deal with the effects of a default on financial services contracts, subject to the requirement that the measure is not applied in a manner that would constitute a means of arbitrary or unjustifiable discrimination between Parties or between Parties and non-Parties where like conditions prevail, or a disguised restriction on investment in financial institutions or cross-border trade in financial services as covered by this Chapter.

Article 17.12: Recognition

1. A Party may recognize prudential measures of another Party or a non-Party in the application of a measure covered by this Chapter. That recognition may be:

- (a) accorded autonomously;
- (b) achieved through harmonization or other means; or
- (c) based upon an agreement or arrangement with another Party or a non-Party.

2. A Party that accords recognition of prudential measures under paragraph 1 shall provide adequate opportunity to another Party to demonstrate that circumstances exist in which there are or would be equivalent regulation, oversight, implementation of regulation and, if appropriate, procedures concerning the sharing of information between the relevant Parties.

3. If a Party accords recognition of prudential measures under paragraph 1(c) and the circumstances set out in paragraph 2 exist, that Party shall provide adequate opportunity to another Party to negotiate accession to the agreement or arrangement, or to negotiate a comparable agreement or arrangement.

4. For greater certainty, nothing in Article 17.4 (Most-Favored-Nation Treatment) requires a Party to accord recognition to prudential measures of any other Party.

Article 17.13: Transparency and Administration of Certain Measures

1. Chapter 28 (Good Regulatory Practices) and Chapter 29 (Publication and Administration) do not apply to a measure relating to this Chapter.

2. Each Party shall ensure that all measures of general application to which this Chapter applies are administered in a reasonable, objective and impartial manner.

3. Each Party shall, to the extent practicable:

- (a) publish in advance any regulation that it proposes to adopt and the purpose of the regulation; and
- (b) provide interested persons and other Parties with a reasonable opportunity to comment on that proposed regulation.

4. For greater certainty, a Party may address those comments collectively on an official government website.

5. To the extent practicable, each Party should allow a reasonable period of time between publication of a final regulation of general application and the date when it enters into effect.

6. Each Party shall establish or maintain appropriate mechanisms for responding to inquiries from interested persons and other Parties regarding measures of general application covered by this Chapter.

7. If a Party requires authorization for the supply of a financial service, it shall ensure that its financial regulatory authorities:

- (g) at the request of the applicant, provide without undue delay information concerning the status of the application;
- (h) in the case of an application considered complete under the Party's laws and regulations, within a reasonable period of time taking into account the available resources of the competent authority after the submission of the application, ensure that the processing of an application is completed, and that the applicant is informed of the decision concerning the application, to the extent possible in writing;
- (i) in the case of an application considered incomplete under the Party's law, within a reasonable period of time, to the extent practicable:
 - (i) inform the applicant that the application is incomplete,
 - (ii) at the request of the applicant, provide guidance on why the application is considered incomplete, and
 - (iii) provide the applicant with the opportunity⁷ to provide the additional information that is required to complete the application; and

if none of the actions in subparagraphs (i) through (iii) is practicable, and the application is rejected due to incompleteness, ensure that the applicant is informed within a reasonable period of time;
- (j) in the case of a rejected application, to the extent practicable, either on its own initiative or upon the request of the applicant, inform the applicant of the reasons for rejection and, if applicable, the procedures for resubmission of an application;
- (k) with respect to an authorization fee⁸ charged by financial regulatory authorities:

⁷ For greater certainty, this opportunity does not require a competent authority to provide extensions of deadlines.

⁸ An authorization fee includes a licensing fee and fees relating to qualification procedures but does not include a fee for the use of natural resources, payments for auction, tendering or other non-discriminatory means of awarding concessions, or mandated contributions to universal service provision.

- (i) provide applicants with a schedule of fees or information on how fee amounts are calculated, and
 - (ii) do not use the fees as a means of avoiding the Party's commitments or obligations under this Chapter; and
- (1) ensure that authorization, once granted, enters into effect without undue delay.

Article 17.14: Self-Regulatory Organizations

If a Party requires a financial institution or a cross-border financial service supplier of another Party to be a member of, participate in, or have access to, a self-regulatory organization in order to provide a financial service in or into its territory, it shall ensure that the self-regulatory organization observes the obligations contained in this Chapter.

Article 17.15: Payment and Clearing Systems

Under terms and conditions that accord national treatment, each Party shall grant financial institutions of another Party established in its territory access to payment and clearing systems operated by public entities, and to official funding and refinancing facilities available in the normal course of ordinary business. This Article does not confer or require access to the Party's lender of last resort facilities.

Article 17.16: Expedited Availability of Insurance Services

The Parties recognize the importance of maintaining and developing regulatory procedures to expedite the offering of insurance services by licensed suppliers. These procedures may include: allowing introduction of products unless those products are disapproved within a reasonable period of time; not requiring product approval or authorization of insurance lines for insurance other than insurance sold to individuals or compulsory insurance; or not imposing limitations on the number or frequency of product introductions. If a Party maintains regulatory product approval procedures, that Party shall endeavor to maintain or improve those procedures, as appropriate, to expedite availability of insurance services by licensed suppliers.

Article 17.17: Transfer of Information

No Party shall prevent a covered person from transferring information, including personal information, into and out of the Party's territory by electronic or other means when this activity is for the conduct of business within the scope of the license, authorization, or registration of that covered person. Nothing in this Article restricts the right of a Party to adopt or maintain measures

to protect personal data, personal privacy and the confidentiality of individual records and accounts, provided that such measures are not used to circumvent this Article.

Article 17.18: Location of Computing Facilities

1. The Parties recognize that immediate, direct, complete, and ongoing access by a Party's financial regulatory authorities to information of covered persons, including information underlying the transactions and operations of such persons, is critical to financial regulation and supervision, and recognize the need to eliminate any potential limitations on that access.

2. No Party shall require a covered person to use or locate computing facilities in the Party's territory as a condition for conducting business in that territory, so long as the Party's financial regulatory authorities, for regulatory and supervisory purposes, have immediate, direct, complete, and ongoing access to information processed or stored on computing facilities that the covered person uses or locates outside the Party's territory.⁹

3. Each Party shall, to the extent practicable, provide a covered person with a reasonable opportunity to remediate a lack of access to information as described in paragraph 2 before the Party requires the covered person to use or locate computing facilities in the Party's territory or the territory of another jurisdiction.¹⁰

4. Nothing in this Article restricts the right of a Party to adopt or maintain measures to protect personal data, personal privacy and the confidentiality of individual records and accounts, provided that these measures are not used to circumvent the commitments or obligations of this Article.

Article 17.19: Committee on Financial Services

1. The Parties hereby establish a Committee on Financial Services (Financial Services Committee). The principal representative of each Party must be an official of the Party's authority responsible for financial services set out in Annex 17-B (Authorities Responsible for Financial Services).

⁹ For greater certainty, access to information includes access to information of a covered person that is processed or stored on computing facilities of the covered person or on computing facilities of a third-party service supplier. For greater certainty, a Party may adopt or maintain a measure that is not inconsistent with this Agreement, including any measure consistent with Article 17.11.1 (Exceptions), such as a measure requiring a covered person to obtain prior authorization from a financial regulatory authority to designate a particular enterprise as a recipient of that information, or a measure adopted or maintained by a financial regulatory authority in the exercise of its authority over a covered person's business continuity planning practices with respect to maintenance of the operation of computing facilities.

¹⁰ For greater certainty, so long as a Party's financial regulatory authorities do not have access to information as described in paragraph 2, the Party may, subject to paragraph 3, require a covered person to use or locate computing facilities either in the territory of the Party or the territory of another jurisdiction where the Party has that access.

2. The Financial Services Committee shall supervise the implementation of this Chapter and its further elaboration, including by considering issues regarding financial services that are referred to it by a Party.

3. The Financial Services Committee shall meet as the Parties decide to assess the functioning of this Agreement as it applies to financial services. The Financial Services Committee shall inform the Commission of the results of any meeting. The Parties may invite, as appropriate, representatives of their domestic financial regulatory authorities to attend meetings of the Committee.

Article 17.20: Consultations

1. A Party may request, in writing, consultations with another Party regarding any matter arising under this Agreement that affects financial services.
