The Parties understand that the measures referred to in Article XIV(b) of the GATS include environmental measures necessary to protect human, animal, or plant life or health.

Article 21.2: Essential Security

Nothing in this Agreement shall be construed:

- (a) to require a Party to furnish or allow access to any information the disclosure of which it determines to be contrary to its essential security interests; or
- (b) to preclude a Party from applying measures that it considers necessary for the fulfillment of its obligations with respect to the maintenance or restoration of international peace or security, or the protection of its own essential security interests.

- (e) to the continuation or prompt renewal of a non-conforming provision of any existing taxation measure;

- (g) to the adoption or enforcement of any taxation measure aimed at ensuring the equitable or effective imposition or collection of taxes (as permitted by Article XIV(d) of the GATS); or

- (h) to a provision that conditions the receipt, or continued receipt, of an advantage relating to the contributions to, or income of, pension trusts or pension plans on a requirement that the Party maintain continuous jurisdiction over the pension trust or pension plan.

6. Article 10.7 (Expropriation and Compensation) and Article 10.16 (Submission of a Claim to Arbitration) shall apply to a taxation measure alleged to be an expropriation or a breach of an investment agreement or investment authorization. However, no investor may invoke Article 10.7 as the basis of a claim where it has been determined pursuant to this paragraph that the measure is not an expropriation. An investor that seeks to invoke Article 10.7 with respect to a taxation measure must first refer to the competent authorities of the Parties of the claimant and the respondent set out in Annex 21.3 at the time that it gives its notice of intent under Article 10.16.2 the issue of whether that taxation measure involves an expropriation. If the competent authorities do not agree to consider the issue or, having agreed to consider it, fail to agree that the measure is not an expropriation within a period of six months of such referral, the investor may submit its claim to arbitration under Article 10.16.

Article 21.4: Balance of Payments Measures on Trade in Goods

In adopting such measures, the Party shall immediately consult with the other Parties and shall not impair the relative benefits accorded to the other Parties under this Agreement.²

Article 21.5: Disclosure of Information
