FREEDOM OF INFORMATION ACT REQUEST

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 *et seq* ("FOIA"), I request copies of (or access to) logs of phone calls and meetings, and copies of emails and other correspondence, from January 1, 2005 through August 1, 2009, between the USTR and Islam Siddiqui.

I am a reporter for Bloomberg News, an accredited and recognized newsgathering organization. I request the Records to inform the public about matters of public concern.

FOIA requires that the your agency respond to this request within 20 business days. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis for withholding any part of the Records.

In responding to FOIA requests, the agency must operate with a presumption in favor of disclosure. As stated in a January 21, 2009 Presidential Memorandum: "All agencies should adopt a presumption in favor of disclosure, in order to renew their commitment to the principles embodied in FOIA, and to usher in a new era of open Government."

I am requesting expedited treatment for this request as Mr. Siddiqui's nomination to a high level post at the USTR is currently pending before the Senate and the public has an interest in understanding his previous dealings with the agency.

I agree to pay reasonable fees for the Records, including actual costs up to \$250. If you estimate that actual costs will exceed this amount, please contact me so that I may make the appropriate arrangements for payment. Please contact me if I may assist in your office's response to this request.
