## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket Number USTR-2020-0027]

### Request for Comments Concerning the Extension of Particular Exclusions Granted Under the \$300 Billion Action Pursuant to Section 301: China's Acts, Policies, and Practices Related to Technology Transfer, Intellectual Property, and Innovation

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice and request for comments.

**SUMMARY:** On August 20, 2019, at the direction of the President, the U.S. Trade Representative determined to modify the action being taken in the Section 301 investigation of China's acts, policies, and practices related to technology transfer, intellectual property, and innovation by imposing additional duties of 10 percent *ad valorem* on goods of China with an annual trade value of approximately \$300 billion. The additional duties on

products in List 1, which is set out in Annex A of that action, became effective on September 1, 2019. On August 30, 2019, at the direction of the President, the U.S. Trade Representative determined to increase the rate of the additional duty applicable to the tariff subheadings covered by the action announced in the August 20 notice from 10 to 15 percent. On January 22, 2020, the U.S. Trade Representative determined to reduce the rate from 15 to 7.5 percent. The U.S. Trade Representative initiated a product exclusion process in October 2019, and as of June 12, 2020, had issued five product exclusion notices under this action. The product exclusions granted under these notices are scheduled to expire on September 1, 2020. The U.S. Trade Representative has decided to consider a possible extension for up to 12 months of particular exclusions granted under these initial five product exclusion notices. The Office of the U.S. Trade Representative (USTR) invites public comment on whether to extend particular exclusions.

**DATES:** July 1, 2020: The public docket on the web portal at <https://comments.USTR.gov> will open for parties to submit comments on the possible extension of particular exclusions.

July 30, 2020 at 11:59 p.m. ET: To be assured of consideration, submit written comments on the public docket by this deadline.

**ADDRESSES:** You must submit all comments through the online portal: <https://comments.USTR.gov>.

**FOR FURTHER INFORMATION CONTACT:** Associate General Counsel Philip Butler or Assistant General Counsel Benjamin Allen at (202) 395-5725.

#### SUPPLEMENTARY INFORMATION:

##### A. Background

For background on the proceedings in this investigation, please see prior notices including 82 FR 40213 (August 24, 2017), 83 FR 14906 (April 6, 2018), 84 FR 22564 (May 17, 2019), 84 FR 43304 (August 20, 2019), 84 FR 45821 (August 30, 2019), 84 FR 57144 (October 24, 2019), 84 FR 69447 (December 18, 2019), 85 FR 3741 (January 22, 2020), 85 FR 13970 (March 10, 2020), 85 FR 15244 (March 17, 2020), 85 FR 17936 (March 31, 2020), 85 FR 28693 (May 13, 2020), 85 FR 32099 (May 28, 2020), and 85 FR 35975 (June 12, 2020).

In a notice published on August 20, 2019, the U.S. Trade Representative, at the direction of the President, announced a determination to modify the action being taken in the Section 301 investigation by imposing an

additional 10 percent *ad valorem* duty on products of China with an annual aggregate trade value of approximately \$300 billion. 84 FR 43304 (August 20, 2019) (the August 20 notice). The August 20 notice contains two separate lists of tariff subheadings, with two different effective dates. List 1, which is set out in Annex A of the August 20 notice, was effective on September 1, 2019. List 2, which is set out in Annex C of the August 20 notice, was scheduled to take effect on December 15, 2019.

On August 30, 2019, the U.S. Trade Representative, at the direction of the President, determined to modify the action being taken in the investigation by increasing the rate of additional duty from 10 to 15 percent *ad valorem* on the goods of China specified in Annex A (List 1) and Annex C (List 2) of the August 20 notice. See 84 FR 45821. On October 24, 2019, the U.S. Trade Representative established a process by which U.S. stakeholders could request exclusion of particular products classified within an eight-digit Harmonized Tariff Schedule of the United States (HTSUS) subheading covered by List 1 of the \$300 billion action from the additional duties. See 84 FR 57144 (the October 24 notice). Subsequently, the U.S. Trade Representative announced a determination to suspend until further notice the additional duties on products set out in Annex C (List 2) of the August 20 notice. See 84 FR 69447 (December 18, 2019). The U.S. Trade Representative later determined to modify the action being taken by reducing the additional duties for the products covered in Annex A of the August 20 notice (List 1) from 15 to 7.5 percent. See 85 FR 3741 (January 22, 2020).

The October 24 notice required submission of requests for exclusion from the \$300 billion action no later than January 31, 2020, and noted that the U.S. Trade Representative periodically would announce decisions. As of June 12, 2020, the U.S. Trade Representative had issued five notices of product exclusions under the \$300 billion action. These exclusions are scheduled to expire on September 1, 2020.

## B. Possible Extensions of Particular Product Exclusions

The U.S. Trade Representative has decided to consider a possible extension for up to 12 months of particular exclusions granted under the initial five product exclusion notices under the \$300 billion action. At this time, USTR is not considering product exclusion

notices issued after June 12, 2020. Accordingly, USTR invites public comments on whether to extend particular exclusions granted under the following notices of product exclusions:

- 85 FR 13970 (March 10, 2020)
- 85 FR 15244 (March 17, 2020)
- 85 FR 17936 (March 31, 2020)
- 85 FR 28693 (May 13, 2020)
- 85 FR 35975 (June 12, 2020)

For exclusions amended or corrected by a later issued notice of product exclusions, Parties should provide their extension comments on the docket corresponding to the initial notice of product exclusions.

USTR will evaluate the possible extension of each exclusion on a case-by-case basis. The focus of the evaluation will be whether, despite the first imposition of these additional duties in September 2019, the particular product remains available only from China. In addressing this factor, commenters should address specifically:

- Whether the particular product and/or a comparable product is available from sources in the United States and/or in third countries.
- Any changes in the global supply chain since September 2019 with respect to the particular product or any other relevant industry developments.
- The efforts, if any, the importers or U.S. purchasers have undertaken since September 2019 to source the product from the United States or third countries.

In addition, USTR will continue to consider whether the imposition of additional duties on the products covered by the exclusion will result in severe economic harm to the commenter or other U.S. interests.

## C. Procedures To Comment on the Extension of Particular Exclusions

To submit a comment regarding the extension of a particular exclusion granted under the above referenced product exclusion notices under the \$300 billion action, commenters first must register on the portal at <https://comments.USTR.gov>. As noted above, the public docket on the portal will be open from July 1 to July 30, 2020. After registration, the commenter may submit an exclusion extension comment form to the public docket.

**OFFICE OF THE UNITED STATES  
TRADE REPRESENTATIVE**

[Docket No. USTR–2020–0023]

**Review of Action: Enforcement of U.S.  
WTO Rights in Large Civil Aircraft  
Dispute**

**AGENCY:** Office of the United States  
Trade Representative.

**ACTION:** Request for comments.

**SUMMARY:** The U.S. Trade Representative is conducting a review of the action being taken in the Section 301 investigation involving the enforcement of U.S. World Trade Organization (WTO) rights in the Large Civil Aircraft dispute. In connection with this review, the U.S. Trade Representative is considering modifying the list of products of certain current or former European Union (EU) member States that currently are subject to additional duties. Annex I to this notice contains the list of products currently subject to additional duties. Annex II contains a list of products, originally published in the April and July 2019 notices in this investigation, under consideration but not currently subject to additional duties. Annex III contains a new list of products being considered for imposition of additional duties. The Office of the United States Trade Representative (USTR) requests comments with respect to whether products listed in Annex I should be removed from the list or remain on the list; whether the rate of additional duty on specific products should be increased, up to a level of 100 percent; whether additional duties should be imposed on specific products listed in Annex II or Annex III; and on the rate of additional duty of up to 100 percent to be applied to any products drawn from Annex II or Annex III. On June 26, 2020, USTR is opening an electronic portal for submission of comments regarding the review of the action.

**DATES:**

*June 26, 2020:* The docket entitled “Comments Concerning the Enforcement of U.S. WTO Rights in Large Civil Aircraft Dispute” will open on USTR’s comment portal: <https://comments.ustr.gov/s/>.

*July 26, 2020:* To be assured of consideration, you must submit comments by this date.

**ADDRESSES:** You must submit comments through the online comment portal: <https://comments.ustr.gov/s/>. Follow

the instructions for submitting comments in section D below. For issues with on-line submissions, please contact the USTR Section 301 line at (202) 395–5725.

**SUPPLEMENTARY INFORMATION:**

**A. Proceedings in the Investigation**

For background on the proceedings in this investigation, please see the prior notices issued in the investigation: 84 FR 15028 (April 12, 2019), 84 FR 32248 (July 5, 2019), 84 FR 54245 (October 9, 2019), 84 FR 55998 (October 18, 2019), 84 FR 67992 (December 12, 2019), 85 FR 10204 (February 21, 2020), 85 FR 14517 (March 12, 2020) and, 85 FR 31845 (May 27, 2020).

**B. Review of the Action in the Investigation**

The U.S. Trade Representative is conducting a review of the action being taken in the investigation to facilitate a possible modification of the action in accordance with Section 306(b)(2)(B)(i) of the 1974 Trade Act, as amended. USTR invites public comments with respect to the maintenance or imposition of additional duties on the specific products of specific current or former EU member States indicated on the lists in the Annexes to this notice. Annex I lists the specific products of current or former EU member States that currently are subject to additional duties of 15 or 25 percent. *See* 85 FR 10204. Annex II lists products of current or former EU member States for which additional duties of up to 100 percent previously were proposed, but for which no additional duties currently are imposed in this investigation. *See* 84 FR 15028 and 84 FR 32248.

In addition, the U.S. Trade Representative is considering an additional list of products of France, Germany, Spain, and the United Kingdom that may be included on a final list of products subject to additional *ad valorem* duties of up to 100 percent. The additional list of products (included in Annex III to this notice) contains 30 tariff subheadings with an approximate value of \$3.1 billion in terms of the estimated import trade value for calendar year 2018. If the U.S. Trade Representative determines to modify the action being taken in the

investigation, the final list of products subject to additional duties in the action may be drawn from the list of products in Annexes I, II, or III.

**C. Request for Public Comments**

With respect to products listed in Annex I, USTR invites comments on whether specific products of current or former EU member States should remain on or be removed from the list, and if a product remains on the list, whether the current rate of additional duty should be increased to as high as 100 percent.

With respect to products listed in Annexes II and III, USTR invites comments on whether specific products of specific current or former EU member States should be included on a revised list of products subject to additional duties, and the rate of additional duty (as high as 100 percent) that should be imposed.

USTR invites interested persons to address:

- Whether maintaining or imposing additional duties on a specific product of one or more current or former EU member States would be appropriate to enforce U.S. WTO rights or to obtain the elimination of the EU’s WTO-inconsistent measures, and/or would likely result in the implementation of the Dispute Settlement Body (DSB) recommendations in the Large Civil Aircraft dispute or in achieving a mutually satisfactory solution.
- Whether maintaining or imposing additional duties on specific products of one or more current or former EU member States would cause disproportionate economic harm to U.S. interests, including small or medium-size businesses and consumers.

**D. Procedures for Submission of Comments**

You must submit comments regarding review of the action using the electronic portal at <https://comments.ustr.gov/s/>. As stated above, the docket regarding the review of this action will open on June 26, 2020. On that date, you will be able to view a docket entitled “Comments Concerning the Enforcement of U.S. WTO Rights in Large Civil Aircraft Dispute” on the portal. A facsimile of the Large Civil Aircraft (LCA) comment form is attached as Annex IV to this notice.

You do not need to establish an account to submit comments. Fields with a gray (BCI) notation are for Business Confidential Information and the information entered will not be publicly available. Required fields are marked ‘Required’ and will have a red asterisk (\*). Fields with a green (Public)
